

Upsets at Belmont Park Terminal---Good Horses to Race at Jamaica Track To-day---Pittsburg Girl Wins Again

AMATEUR RACING MEET IS REPLETE WITH REVERSALS

Belmont's Top Hat Finishes First, but Judges Place Him Second.

DISQUALIFICATIONS IN STEEPCHASE RACE

The amateur racing season wound up yesterday at Belmont Terminal with one of the most remarkable days' sport that ever has been witnessed at hunt meets. Only one favorite came home a winner, but in all the other races horses which had been overlooked by the wise division came galloping home in front.

Perhaps the most unusual occurrence of all came in the fifth race when Raymond Belmont rode a stirring finish on his father's horse Top Hat and after getting over the finish line in front a good head before Torero was placed second by the judges. In many instances the angle at the finish is made responsible for the difference of opinion, but between the judges and the spectators, but in this case the observers in the press box were placed on an even line with the finish and there was no room for doubt. Every man who viewed the finish from the press stand declared the Belmont colors flashed in front at the end.

August Belmont and his party sat in a box very near aligned with the finish and the excitement when young Raymond urged his mount to the front was intense. Apparently there was no question in the minds of the occupants of the box that the maroon and scarlet jacket worn by the young man, but a cynical smile wreathed the countenance of the chairman of the Jockey Club when the number of Torero was hoisted at the number of the list instead of that of Top Hat.

Closing Day Notable

There were other untoward happenings that made the day of the amateur racing notable. The most remarkable was in the fourth race, in which some of the best steepchase horses of the day competed. The imported horse, Marcelinus, made the favorite, but strong support was accorded to Skibbereen and Belle of Bryn Mawr. Powers kept Marcelinus up with the early pace, but in the course of the race Skibbereen went to the front. The contestants at this time were far away from the view of the ordinary observer and with the exception of the fact that Skibbereen had been deprived of Marcelinus of the lead little could be told.

In the stretch there was a general change and the imported horse gave way to the determined rush of Skibbereen and Belle of Bryn Mawr. Skibbereen just dashed home in front a winner, and the race numbers went up in the Belle of Bryn Mawr. L. Gerry's Footlights, a three-year-old, before the back of Skibbereen, but the judges which resulted in the disqualification of the first and second horses. Both had been convicted of cutting the course yesterday. This left Footlights the winner, Harry La Montagne's Swiss, who was a long way from the front, and Ambrose Clark's Distance.

The Greenlee Stable, which had proved the sensation of the opening day, was considerably disappointed yesterday. In four races the bearers of the pink and black stripes were favorites, but not one of them got down in front. The favorite, the imported horse, Skibbereen, was galloping out in front in the Masquerade Handicap over the three-mile route until the stretch, and at the time it looked as though he would win. The Baltimore amateur, had all he could do to keep the Greenlee horse in check. Then came a determined rush by W. R. Martin's added starter, who was along nearly ten lengths in front of the field on the back stretch of the second turn of the course when the favorite took off too soon at a jump and laid right in the rear of the pack. The race was over then, and the favorite came home an easy winner. The results:
